

List of Features

SN	Features
1	total number of characters
2	total number of words
3	total number of sentences
4	frequency of words without vowel
5	total number of alphabets
6	total number of punctuations
7	total number of two/three continuous punctuations
8	total number of contraction
9	total number of parenthesis
10	total number of all capital words
11	total number of emoticons
12	total number of happy emoticons
13	total number of sentence without capital letter
14	total number of quotation count
15	frequency of small i
16	frequency of full stop without space
17	frequency of questions
18	total number of sentence with small letter
19	frequency of alphabetic characters
20	frequency of digits
21	frequency of uppercase letters
22	frequency of whitespace
23	frequency of tab
24	frequency of error of a
25	frequency of error of an
26	frequency of he
27	frequency of she
28	frequency of the character a
29	frequency of the character b
30	frequency of the character c
31	frequency of the character d
32	frequency of the character e
33	frequency of the character f
34	frequency of the character g
35	frequency of the character h
36	frequency of the character i
37	frequency of the character j
38	frequency of the character k
39	frequency of the character l

40	frequency of the character m
41	frequency of the character n
42	frequency of the character o
43	frequency of the character p
44	frequency of the character q
45	frequency of the character r
46	frequency of the character s
47	frequency of the character t
48	frequency of the character u
49	frequency of the character v
50	frequency of the character w
51	frequency of the character x
52	frequency of the character y
53	frequency of the character z
54	function word: frequency of a
